# ***What MANY professionals still may not know***

about Crime & Trauma Scene Companies & what we provide our community...

- ☣ Who to call & why to call a dedicated & certified professional vs. a general contractor.
- ☣ CTS/Biohazard teams have dedicated emergency response teams that are available 24x7x365.
- ☣ These services are usually little to no cost to families.
- ☣ Many families are still not informed of our services & do not know who to call.
- ☣ Some professionals, neighbors, religious groups try to do this work without proper protection unaware of the risks/cross contamination.
- ☣ Most CTS companies offer **FREE** no obligation assessments to assist families in all short/long term aspects surrounding a trauma.
- ☣ Many agencies still don't have a vetted list to provide our community members.
  - Visit [aftermathinc.com/27points](http://aftermathinc.com/27points) to view our 27 point checklist or call us to help you vet all of the options locally.
