ServSafe® Certification Training & Testing – April 23, 2019
In
FOXBOROUGH

Massachusetts requires all food establishments to have at least one individual who has completed an approved food safety certification training and testing program.

Certification must be renewed every five (5) years.

Wheelwright Consultants is an experienced provider of ServSafe® training, the most widely-recognized of the sanitation training programs. We have an excellent reputation for providing an interesting and enjoyable program and have a very high passing rate.

Wheelwright Consultants will provide ServSafe® in Foxborough, Tuesday, April 23, 2019. This program will be appropriate for both those being certified for the first time and those being recertified.

- The deadline for registration is April 1, 2019.

Upon receipt of registration we will mail:

- Our ServSafe® Program Training Booklet and Study Guide.
- Directions to the program site – the Selectman’s Meeting Room – Town Hall

The program cost includes: morning coffee break, a light lunch, and the Massachusetts Food Allergen Certification. Please inform us of food allergies or dietary issues.

The program will start promptly at 9:00 AM and continue until about 5:30 PM. The certification exam will start about 3:30 PM and run until about 5:30 PM.

Program & exam are in English although we have some materials in other languages and can get the exam in Chinese, Japanese, or Spanish if requested in advance.
