

Minutes of Meeting

BWSC Sewer Buy in Work Shop

McGinty Room Public Safety Bldg.

April 5, 2014

Stanton, Garber, Pacella, Hill for the BWSC

Public represented by Consulting Engineers, Commercial / Industrial Users, Attorney's and interested parties.

Roger Hill gave a brief overview of where the sewer program was to date and how the BWSC was planning to proceed.

Public comments and questions pertained mostly to the cost and timing of the program.

Adjourned

Michael Stanton

A handwritten signature in black ink, appearing to read "Michael Stanton", is located below the typed name.
