

**Minutes
Of
The Foxboro Water and Sewer Commissioners
April 8, 2013**

Members in Attendance: Chairman W. Euerle, Vice Chairman M. Stanton, Clerk R. Pacella, Water Superintendant R. Worthley, DPW Superintendant R. Hill, Town Engineer B. Swanson, B. Garber, BOS Ginny Coppola

The meeting was called to order at 7:00 p.m. by Chairman Euerle.

The Board met with Nick Panagopoulos in regards to the water bill for Hercules Plaza caused by a leaking toilet in a vacant area. He understands that he is responsible for the bill, but he would like to have a monthly water bill so that he can detect these kinds of problems sooner. Mr. Stanton advised him that the Board needs to consider the practicality of monthly billing.

At the IMA meeting a major revision was requested by Norton. They are now requesting only 160,000 GPD. This will affect the percentages for all the towns (Norton, Mansfield and Foxboro).

The site plan for the new office space is in progress. Mr. Stanton would like to review these plans as soon as they are available.

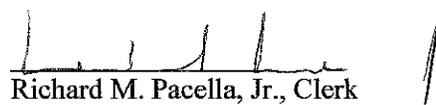

The Board discussed the upcoming flushing program and the public notices that will need to go out.

The meeting was adjourned at 8:45 p.m.

Respectfully Submitted,

Diana Gray
