

**Minutes  
Of  
The Foxboro Water and Sewer Commissioners  
February 10, 2014**

Members in Attendance: Chairman M. Stanton, Vice Chairman R. Pacella, Clerk B. Garber, Water Superintendent R. Worthley, BOS G. Coppola

The meeting was called to order at 7:00 p.m. by Chairman Stanton.

Mr. Worthley informed the Board that members of the department attended the funeral today of a DPW worker who was killed in a work related accident in Natick. They attended as part of a tribute to the worker with many other DPW's in the state.

There will be an Open House at the Oak Street Plant on May 10, 2014. More information will be available as the date gets closer.

Mr. Worthley is working on the Annual Report for the town as well as the Statistical Report and the Consumer Confidence Report for the state.

A request has been received from a hair salon owner that is required to have two sinks connected to a tight tank. He would like to know if one of the sinks could be connected to sewer if it is not used for chemical rinsing. The Board would like to know how the original requirement came about before deciding. Mr. Worthley will see if the Board of Health has any information as the original permit application cannot be located.

The Board discussed the Town Engineer position. It is hoped that more work can be done in house instead of through outside contracts with the new engineer.

The new office space numbers will need to be known by Fall Town Meeting. There is not enough time to get anything prepared for the Spring Town Meeting.

Atty. Rod Hoffman submitted a proposal for legal services to file for the transfer of permits with the Office of Outdoor Advertising. Atty. Hoffman has sent an estimate of costs for the permit application and it states that it should be less than \$5,000 plus the cost of filing fees.

A motion to authorize Atty. Hoffman to file the transfer permit with the Office of Outdoor Advertising for a cost not to exceed \$5,000 was approved 3-0-0.

The Board discussed the Kraft's recent proposal for additional liquor licenses for the town and the stadium. The Board took no position at this time.

The new Town Manager is scheduled to begin on April 1<sup>st</sup> if contract negotiations go well. He has stated that he would be willing to come in one day per week for a few weeks before that.

The minutes of January 13, 2014 and January 27, 2014 were approved 3-0-0.

The office has prepared a list of when other town boards meet so the members can schedule times to attend their meetings.

The meeting of February 18, 2014 is cancelled.

The meeting was adjourned at 8:00 p.m.

Respectfully Submitted,

Diana Gray
