The meeting was called to order at 7:00 p.m. by Richard Pacella.

Matters Discussed:

34 Shoreline Drive

A water meter leak was reported. The leak resulted in damage to the finished basement and resulted in a claim against the Town to pay for damages. The meter was behind a wall, installed through a small opening. Unable to know if meter installation was faulty, or if it was disturbed by someone else doing work in the basement. Bob will work with Marsha to see if this is an insurance claim.
