CALL FOR VOLUNTEERS!

Date: September 10, 2009

Time: 6pm – 8pm

Place: Public Safety Building/ McGinty Room

The Department of Health and Human Services, Office of the Surgeon General established the Medical Reserve Corps enabling community based volunteer units to supplement existing community emergency response system.

The Bristol Norfolk / Medical Reserve Corps (MRC) serves the Massachusetts communities of Attleboro, Foxboro, Mansfield, North Attleboro, Norton, Plainville, Rehoboth, and Seekonk.

Join us on September 10, 2009 at the Foxborough Public Safety Building McGinty Room from 6-8 pm for MRC101. Learn the What, Who and Why's behind an MRC unit. This orientation covers the importance of pre-registering and pre-credentialing volunteers for an emergency response in the community and describes the role of the MRC in public health initiatives and emergency preparedness programs throughout the year.

The Community Emergency Response Team (CERT) information will also be available. This group consists of non-medical community members.

MRC questions please call Foxborough Health Department at 508-543-1207. Visit our website and check out the power point presentation www.foxboroughma.gov .

CERT questions email Chris Deeley at sevenanup@comcast.net. Chris Deeley will be organizing community members.
