

BOOK CLUB POLICY

In order to allow for the ordering of enough books for the group through the SAILS library lending system, the book club will consist of no more than 25 members, inclusive of the group facilitator.

A waiting list will be maintained for anyone who is interested beyond the 25 members of the group.

Regular participation in the monthly group meetings is expected whenever possible.

After a period of 5 consecutive months of absence from the group meetings, the participant will no longer be considered a member of the Book Club. The member will be contacted and offered the waiting list as a future option.

For others who are interested in knowing which books the Book Club is reading, previously read book selections will be offered as suggestions. Information on current book selections will be kept within the group to ensure enough copies for the Book Club members through the SAILS library lending system.
