

FOXBOROUGH COMMITTEE FOR DISABLED CITIZENS
Minutes of May 19, 2010

Present: Fran Bell, Cindy Curran, Nancy Biggar, Dan Iagatta, Sue Collins and Bill Casbarra.

1. Minutes of March 24th were accepted.
2. **Patriot Place** – everyone agreed that it was a very productive meeting with Kevin McGuire and Dan Murphy. We look forward to continuous interaction with them re. Patriot Place and Gillette Stadium.
3. **Detectable Warning Strips** – all of us were impressed by the speed of the work to remove the old curb cuts and to place the Detectable Warning Strips properly. Know that Rep. Barrows must have speeded up the process so that Bob Swanson and the Highway Dept. could do their jobs. Nice writeup in the newspapers. Cindy and Bill and all those involved deserve a round of applause!
4. Bill brought up the revamped map with **another Handicapped Parking spot on Central Street** in front of the Foxboro Federal Savings Bank near Liberty Street. He also composed another letter to the Selectmen stating that there is a need for another Handicapped Parking spot on this busy street. And it was signed by the Chairperson.
4. **High School renovations** – Bill stated that the renovations are coming along. During the summer much will be accomplished.
5. **Handicapped Parking Space** at New England Group – Bill spoke to the Manager who will replace the Handicapped Parking sign.
5. Sue, as Chairperson will write a **thank you note to Kevin McGuire and Dan Murphy** thanking them for their cooperation in addressing our issues.
6. Power Door to **Boyden Library** – while plans are being made to renovate and expand the Library we agreed that now was a good time to approach the Board of Trustees to inquire about a Power Door being installed for easier access.
7. **Swear in** as Committee members – should be done in May.
8. **Resources for website** – agreed that everyone will bring in information on resources in the area for people who are disabled for the next meeting. This will be our priority to get this done at our June meeting.
9. **Bylaws & Mission Statement** – Dan brought in Bylaws and he agreed to work on a Mission Statement.

NEXT MEETING: June 23, Wednesday at 3 PM at Selectmen's Room.
