Nancy motioned to accept the minutes from 4/13/17, second by Bob, passed 5-0.

Kathy Brady stopped by to let us know that Mary Beth has new folks to be trained as well as Debbie G. Deb G. is hoping to have training the week of 6/19.

Jim told Bob that Mary Beth should come to our next meeting to get updated on policy and procedures as well as tracking who has taken training.

Bob mentioned that Tony has upcoming train the trainers event. We'd like for folks to be more self-sustaining and have Recreation take over the responsibilities for the youth groups, Bill Dudley to take care of the churches, and hoping to get some of the sports groups to have their own trainers. The group discussed the refresher course and would like to see folks take the new module training every two years. Hoping to get at least Kathy Brady and Amy Milldowney trained on the modules training.

Jetta gave a presentation on how her group works and the #295 Bill they have at the State House. She handed out literature. Deb Spinelli will follow up with Jetta about presenting their program to the schools.

Next meeting will be Thursday, June 8.

Lynda motioned for adjournment, second by Nancy, passed 5-0.
