Minutes 11/9/2017

Attendees: Members in attendance Bob Correia, Lynda Walsh, Nancy Stockwell, Jeff Downs, Bill Dudley

Absent: Rob Lucas , Deb Spinelli

GUESTS: Jay Barrows, Jim DeVellis

Nancy motioned to accept the minutes from 10/12/17, second by Bill, passed 5-0.

Jay updated the group that there will be a hearing on December 5th for Bill #77. He noted that our Home Rule Petition #76, didn't have much success, knowing that #77 (the Statewide Bill) was in the works also.

Jay suggests that we meet and pull together our testimony for the Hearing. We should try to get as much support as we can without crowding the room. We should reach out to Ed Hurley from the YMCA, Chief Baker, Paul Feeney.

Jeff will bring the updated spreadsheet of what other states have in their laws. Jim will summarize history and our home rule petition. Bill will put together a victims statement. Bill will speak with Chief Baker and Bob will speak with Ed Hurley from the YMCA.

The refresher course will take place December 8/9. Jeff will also speak with Mass Premier and the skate rink.

Bill is still trying to catch up with the new pastor at Bethany.

Next Meeting will be December 14.

Lynda motioned for adjournment, second by Nancy, passed 5-0.
