

Foxborough Child Sexual Abuse Awareness Committee

Minutes 6/16/2016

Attendees: Members in attendance Bob Correia, Lynda Walsh, Bill Dudley, Nancy Stockwell

Missing: Deb Spinelli, Jeff Downs, Rob Lucas

Motion from Bill, to accept minutes from 6/2 second by Bob, motion carried 4-0.

Bob stated that our Bill H4912 is in it's 3rd stage of reading..favoarable in the senate side. Bob spoke again with Jennifer Flannigan. According to Jay Barrows he is surprised at how far it's gone. Jay spoke with AG from Norfolks in hopes that they would help push along because of their involvement with training . Jay still has hopes for the state law, Bob doesn't believe it will because of the unions and other cash needs.

Bob wants the group to tell anyone who may have connections to push for our Bill to get support. They should look out for it to be presented with others. Legislature will end at the end of July and it is an election year so not a lot of attention will be given through November.

Bob and Bill will reach out to Richard Ross. Bill had spoken with Jim Timilty and he believes it will pass the senate.

Lynda will look at the town site and see if we should/could have our training listed with a link for the free training, books, and our mission.

We would like to hold the August Training on August 26 and 27 at Mill Street. We'll need Jeff to put that into motion.

Bill wants the Church of Emmanuel to be held one week before our training in August so that folks who can't make theirs could join in our training. Bill purchased the book that Church of Emmanuel goes by "Safe Place". Unlike the training done at St. Mary's Bill doesn't believe that this training is sufficient to cover what we offer. He will invite members of Emmanuel to one of our upcoming meetings.

Lynda reminded the group that National Night out will be August 2nd this year and we should have a table there with our information.

Next meeting will be June 30th.

Motion to adjourn by Nancy, second by Bob, motioned approved 4-0.
