Assisted Listening Devices:

Margaret and Paul Beck met with vendors regarding the types of assisted listening systems that are available. They will explore each system and write a proposal to the town. Systems should be installed in the Gala Meeting room, High School auditorium, Boyden Library Community Room, and the McGinty Room. The proposal will be reviewed by the FCOD before submitting it to the town.

Post Office Drive-up:

Bob was not at the meeting so we will review the Post Office drive-up mailboxes at the next meeting. Margaret wrote to Senator Paul Feeney but has not heard back from his office.

Accessible Signage:

Sue has been trying to contact Chris Gallagher regarding the signage around town but has not heard back from him. Barry will try to contact him and will update at the next FCOD meeting.

Facebook Page:

David said that things have been quiet. Hopefully with the nice weather coming, more will be happening around town.

Signage at Lafayette House:

Barry reported that the parking signs with the \$300. fine have been installed at the Lafayette House. The parking lot striping is not done yet due to a conflict with the company. It will be completed soon.

Above and Beyond Award:

We will decide if the FCOD will present the award this year. There is a nominee from last year that was not presented due to the pandemic. The FCOD will decide on a business for the Award. We will look at presenting the award in the Fall.
