FOXBOROUGH'S OPEN SPACE & RECREATION PLAN UPDATE

The Open Space Committee is now preparing to update Foxborough's 2011-2018 Open Space and Recreation Plan (OSRP) and, once again, is seeking residents' valuable input. Your input *does* make a difference! Please come to the Forum and give us your opinions about the future of our open spaces.

What is an OSRP? It is an important planning guideline that:

- (1) Identifies residents' overall goals for the future of the Town's open space and recreation resources;
- (2) Recommends development strategies that will support these goals; and
- (3) Qualifies Foxborough to apply for various State grant programs.

For more information about the OSRP, please visit the Conservation Commission's website at ***www.foxboroughma.gov/conservation***

WE HOPE TO SEE YOU AT THE PUBLIC FORUM!
